Clare qualified as a Speech and Language Therapist with a BSc (Hons) in Speech and Language Therapy from Queen Margaret University in Edinburgh. She is registered with the Health and Care Professions Council and is a member of the Royal College of Speech and Language Therapists and the International Society of Early Intervention.

Clare works as an Associate Case Manager. Clare has experience in the management of a complex caseload. She has supported adults in neuro-rehabilitation units and in the community, as well as supporting children and young people within mainstream and special educational settings. She has worked with clients with a variety of needs including cerebral palsy, acquired brain injury, autism spectrum condition and behavioural support needs.

She has experience in providing case management to a number of clients, including clients with acquired brain injury, clients with a 24 hour care package and children with cerebral palsy.

Clare also has a wealth of experience working with clients with communication support needs. She has a keen interest in augmentative and alternative communication aids and keeps up to date with the latest technology available.

Clare is passionate about supporting clients to set functional and achievable goals and ensuring that her clients are central to decision making throughout their individual rehabilitation journey. She is skilled in the early identification of support needs, ensuring timely and effective support for her clients, with the support of proficient interdisciplinary teams.

Clare is skilled in ensuring that clients receive treatment consistent with the evidence base and clinical guidelines. She is passionate about the inclusion of families and support teams in a client's support package in order to empower and involve them in the goal-setting component of daily activities and therapy.

Clare has worked with clients with challenging behaviours for several years and has received training in the de-escalation and positive management of these behaviours.

AJ Case Management is a specialist brain injury Case Management service and we believe in taking a team approach to ensure the most effective service.
