Gemma is an Associate Case Manager who works with adults and children to ensure effective rehabilitation and quality care. Based in Cheshire, she has amassed a wealth of complex care experience since gaining her Registered General Nursing of Adults Qualification over 30 years ago.

Gemma is skilled in the Litigation Process and report writing, having worked as an Expert Witness. Gemma recently helped a client and family through the transition from children to adult services.

As a Case Manager, Gemma works hard to ensure her clients receive effective rehabilitation and support to achieve their health, care and social goals. She is passionate about providing her clients and their family with the best possible support throughout their rehabilitation journey.

Gemma is skilful at managing complex care and therapy packages, including recruitment, training and supervision of support teams. Gemma coordinates professional multidisciplinary teams around her clients to enhance their care, promoting strong communication within the team.

Gemma draws on her experience of complex care settings within both the community and hospital environments, including a number of years as an intensive care nurse. As a Lead Nurse, Gemma gained invaluable experience working with clients who have complex long-term conditions, including; traumatic brain injury, hypoxic brain injury, spinal cord injury, and multiple orthopaedic injuries.

“I’m really happy with Gemma. She provides reliable, proactive support and I trust her to get on with things and don’t feel the need to chase. It has made a huge difference”
