

## Kylie Holdback – Associate Case Manager - Midlands

Kylie qualified as an Occupational Therapist in 2010 with a BSc (Hons) in Occupational Therapy from Coventry University.

Kylie's experience of working as part of a highly skilled team in the community has already established her case management skills and she has decided to progress them into the independent sector and commenced employment with AJ Case Management Ltd (AJCM) in September 2015.

Kylie has broad experience in assessing, treating and managing complex cases. Kylie has worked as part of multidisciplinary teams (MDT) and supported clients with lifelong conditions to live safely in the community.

Kylie was team leader for a community rehabilitation team for The British Institute for Brain Injured Children (BIBIC), and continued to develop her specialist skills, working with children and young people who required support in the community to maximise their independence in daily living.

Kylie also has experience of acting as an Expert in Educational Tribunal cases.

Kylie is the director of Inclusive Children's Therapy Services Ltd. and continues to work as a treating Occupational Therapist providing rehabilitation and support to clients in the community.

Kylie is extremely organised and is able to identify the needs of her clients, and establish goals collaboratively to help clients achieve their goals. Kylie is also an experienced report writer.

Kylie will be supported by the AJCM team including administrative support, compliance team, and Registered Manager. This ensures that our clients are supported by a team and can expect an excellent standard of service at all times.

AJCM is a specialist brain injury case management service, supporting adults and children to ensure that they achieve effective rehabilitation and quality support.
