

**Chrisanna Gibbs – Associate Case Manager**  
**(Covering Lancashire, Cheshire, Shropshire, North Staffordshire and North Wales)**

Chrisanna is a specialist brain injury Case Manager, with over 20 years clinical experience as an Occupational Therapist (OT) in a range of settings, including Education, Local Authority and NHS. She holds a mixed caseload of children and adults and is experienced at working within the litigation framework, supporting her clients and their families through this process.

Chrisanna is skillful at managing complex care and therapy packages, to include recruitment, training and supervising teams of support workers. She recently successfully supported one of her clients on a month-long trip to India with his support team and family.

Chrisanna always strives to provide an outstanding service and ensure the client and their family have the best possible support in what can be a challenging journey. Chrisanna is a strong advocate for her clients, inherently believing that every person matters, their goals matter and that they deserve the best they can achieve in life. Core values for Chrisanna include promoting independence and enabling a person to live a quality life.

***“Chrisanna’s case management ensures the effectiveness and suitability of therapy. She brings in specifically tailored treatments from therapists with relevant experience and specialist knowledge to achieve very focused and targeted goals. She closely monitors and reviews progress and adjusts the treatments to keep them in line with recovery and rehabilitation improvements. Chrisanna’s intuitive case management style and detailed understanding of the setting provides for an invaluable level of support.***

***Chrisanna uses her contemporary knowledge of specialist resources and providers to ensure that the most suitable equipment is made available as and when it is needed. She closely monitors progress and her client’s needs to ensure that resources are compatible with improvements in recovery and rehabilitation, and up to date with technological advances in the field.***

***We would not be where we are today without Chrisanna’s support.”***
