

Abigail Allen - Associate Case Manager

Abigail is a Registered General Nurse based in Cheshire and surrounds.

Abigail has a broad scope of knowledge and experience of individuals with long term care needs, obtained through her background in District Nursing and Complex Case Management. Abigail has held a caseload of individuals with Complex Care Needs since March 2018 and is competent in undertaking comprehensive evidence-based assessments and regularly instigates and leads Multi-Disciplinary Team meetings. Her current caseload consists of young adults through to the elderly with a wide range of care needs; this includes those with Acquired Brain Injuries and individuals who have suffered a Spinal Injury. With up-to-date experience in Continuing Health Care Abigail has a good insight into current care costs and is used to negotiating and procuring.

Abigail has a sound understanding and keen interest in the Court of Protection and the litigation around the Mental Capacity Act and Liberty Protection Safeguards.

Abigail's priority is always that of the safety of an individual and ensures to the best of her ability that their needs are met holistically. Abigail is realistic in her practice and prides herself in her organisation skills and attention to detail.

Testimonials:

"The information provided is relevant and comprehensive which is exactly what is being asked for."

"Thanks for all your hard work! These types of cases do require a lot of effort and energy and all of your support is really appreciated".
